KZN PUBLIC WORKS AND INFRASTRUCTURE HOSTS DEPARTMENTAL SERVICE EXCELLENCE AWARDS

Tomorrow, **17 November**, the KwaZulu-Natal Department of Public Works and Infrastructure will host its Departmental Service Excellence Awards to acknowledge the hard work and dedication demonstrated by our officials.

KZN Public Works and Infrastructure has, in recent months and years, undergone one of its biggest overhauls which has resulted in the resumption of more projects on the ground, a complete cut of irregular expenditure, healthier finances, a senior leadership comprising 50% of women and the first ever clean audit.

These achievements did not just happen – they are the result of the outstanding dedication by various employees and officials in the department. It is, therefore, only befitting that they get well-earned recognition.

Under the leadership of MEC Martin Meyer alongside Head of Department, Dr Vish Govender, today the New KZN Public Works and Infrastructure is a recognizable household entity, and it is thanks to the men and women behind the scenes who are the heart of the engine.

Details of the event as follows:

Date: 17 November, 2026
Time: 5.30pm
Venue: Archie Gumede Conference Centre (455A Jan Smuts Highway, Mayville, 4001)

END.
