REQUEST FOR PROPOSALS

DATABASE OF SERVICE PROVIDERS FOR LEASING OF ALTERNATE CARE SITES TO BE UTILIZED AS ISOLATION SITES FOR COVID-19 PATIENTS IN IDENTIFIED HOSPITALS IN THE PROVINCE

Proposals are hereby requested from qualified and suitable service providers to be included in the Departmental Database for leasing of Alternate Care Sites to be utilized as Isolation sites for COVID-19 patients in identified hospitals in the province.

The Country is currently facing a disaster with a rapid spread of the virus that has resulted in the President declaring a National Disaster on the 15th of March 2020. Due to the rapid spread of the virus the Department of Health has directed that the suspected cases be contained in quarantine and isolation facilities.

The Province is also affected by this pandemic and the Department therefore requests Service Providers to submit their proposals on how they can assist it so that they can be included in the Database to be utilized as and when required during this period. On appointment Service Providers will be requested to install/construct within fifteen (15) days. The service required will be on a Turnkey basis (service providers to come with own professionals/consultants) where the structures will comprise of – (1) Facility; (2) Services; and (3) Maintenance.

Service providers are therefore requested to forward their **unpriced proposals** to the following e-mail address: mduduzi.mzobe@kznworks.gov.za, not later than Tuesday, the 5th of May 2020.

SCM related enquiries may be referred to Mr. M. Mzobe – 083 515 9410 and Technical related queries may be referred to Messrs A. Govender and S. Hlangwana – 082 484 4215 and 079 048 0993 respectively.

NOTE: Bid Documents with Specifications will also be placed on this website.
