- Departmental Corporate Governance of ICT Policy and Charter depicting how CGICT will be implemented and managed in the context of the department
- Designation of a Governance Champion to coordinate the development and implementation of CGICT
- Departmental Governance and Management of ICT CGICTPF for the governance and management of the ICT unit by the Government Information Technology Officer (GITO)

Phase 2: Strategic alignment: Implementation of business and ICT alignment

- ICT Strategic Plan (ICT Plan), ICT Implementation Plan (depicted in the MTEF) and ICT Operational Plan (ICT APP); which is aligned with the departmental strategic plan
- Optional deliverables that will allow departments to improve the articulation of ICT enablement and management of information

Phase 3 (Beyond March 2015): Continuous improvement of governance and strategic alignment arrangements

1. Continuous Improvement Roadmap depicting the department's improvement plans for its CGICT, GICT and strategic alignment arrangements to optimise ICT enablement of service delivery

The department has implemented Phase 1 (Creation of an enabling environment: Implementation of the CGICT and GICT) and Phase 2 (Strategic alignment: Implementation of business and ICT alignment) and is currently in Phase3.

The implementation of the CGICTPF will be monitored for conformance by the Department of Public Service and Administration (DPSA), performance by the Department of Planning, Monitoring and Evaluation (DPME) and audited by the Office of the Auditor-General.

3 GWEA FRAMEWORK

The Public Service Regulations prescribes a strong alignment between Business and ICT planning activities in government. The strategic intent of government is to modernise and accelerate Public Service delivery through the use of ICT, which demands a more credible approach to ICT planning across KZN Public Works, all other departments and clusters.

To give effect to the planning prescripts of the Public Service Regulations, the GITO Council, through its Standing Committee on Architecture, developed the Government Wide Enterprise Architecture (GWEA) Framework to serve as a minimum standard, which will be utilised to develop ICT Plans in government.

The GWEA Framework is based on an open international best practice as promoted and managed by The Open Group®, which includes nation-wide support, academia and certification programmes to support government.

Compliance with the GWEA Framework is essential; not only to improve the consistency and quality of ICT Plans, but also to reduce duplication and improve the efficiencies of business processes in the public sector.

Figure 1: GWEA Framework

The scope of the GWEA Framework comprises the following:

- The Enterprise Architecture Development Process/Method that defines and describes the principles, phases, tasks and activities by which to develop a departmental ICT Plans/Blueprints.
- The Enterprise Architecture Deliverable Framework that defines the minimum list and format of Enterprise Architecture models, including both Baseline and Target Architectures for the domains of Business, Data, Application and Technology Architectures as well as an Implementation Plan, by which to construct an Information and ICT Plan/Blueprint for government.
- The Enterprise Architecture Dictionary that forms the definitive reference for Enterprise Architecture terms and definitions in Government.

In summary; implementing the GWEA framework supports and enables effective implementation of the Corporate Governance of ICT Policy Framework phases.

7.1 The contract will terminate at the end of the contract period without any notice, unless prior written amendment has been made between the parties to extend the contract period.

7.2 Should the Contractor fail to exercise his duties with reasonable diligence or fails or neglects to meet his obligations in terms of this contract, the Head may request in writing the rectification of same within fourteen days. Should the Contractor, after fourteen days and in the sole discretion of the Head, continue to fail to exercise his duties with reasonable diligence or fails or neglects to meet his obligations in terms of this contract, it will be regarded as breach of contract and the Head may terminate the Contract without further notice. Should the said failure have caused damage to the Department then the Head shall be entitled, without prejudice to any other rights, to claim such damage from the Contractor.

7.3 The Head reserves the right, with due consultation, to replace any employee of the Contractor or the employees in total with Departmental officials or cease some or all of the functions of the Contractor and may terminate the services and therefore terminate the appointment of the Contractor and/or an employee(s) of the Contractor before the expiry of the contract period.

7.4 The Contractor may, upon reasonable notice and with due consultation and agreement by the Head, terminate the Contract or terminate the appointment of the Contractor and/or an employee(s) before the expiry of the contract period or replace them with new person/s that meet the criteria set in these Conditions. Should the Head, as the final authority, not agree with such premature termination and/or replacement, it will be regarded as breach of contract and Head may terminate the Contract in total or in part.

7.5 Should the composition of the Team or the Contractor's company profile at senior, partner or director level be changed during this appointment, whether by death, sickness or any other reason, or if his estate sequestrated or liquidated, or if he be placed under judicial management or an administration order is issued against him by any Court, it is incumbent on the Contractor or his representative to immediately notify the Head in writing. A response shall be given by the Head in writing and until such time the Contract shall remain in force. The Head, however, reserves the right to terminate the Contract with immediate effect and to appoint any other Contractor at his sole discretion.

7.6 party and no part of this contract may be sub-let to any other person without the prior approval of the Head. Failure to observe this condition shall entitle the Head to terminate this Contract.

7.7 In the event of premature termination of the contract or part thereof by one party of the Contract then, should such premature action cause the other party undue financial loss, save for any other breach of contract, a reasonable re-imbursement shall be agreed upon and paid within thirty days after furnishing of proof of such loss.

7.8 In any event of termination of this Contract by any of the parties, for whatever reason, the Head will be entitled to the receipt of all documentation, papers and copies of computer disks with data and applicable software in the possession of the Contractor and related to the functions of the appointment. The Head furthermore reserves the right to use such documentation, etc., for the purposes of continuing the functions as envisaged by the Scope of

the Contract in whichever way the Head deems necessary.

- 7.9 The Contractor or any of his staff or any associated person shall not divulge any information of any kind whatsoever during the validity of this Contract, or at any time thereafter to any person not officially concerned with the functions of the Department unless with prior written approval of the Head.

8. SETTLEMENT OF DISPUTES

- 8.1 In case any dispute shall arise between the Department and the Contractor out of the interpretation of these Conditions, such dispute shall, unless otherwise settled between the Head and the Contractor be first referred to a special committee for mediation appointed jointly by the Head and the Contractor.
- 8.2 Should either of the parties fail to accept the results of mediation, the Head shall, at his sole discretion decide whether to refer the matter to either litigation or arbitration. Should the latter course of action be decided upon, the arbitrator shall be appointed by the Head on recommendation of the President of the South African Association of Arbitrators and approval by the MEC of Human Settlement and Public Works and the Contractor. Such approval may not be withheld without stated valid reason. The decision of the Arbitrator shall be final and binding on both parties.

TAX COMPLIANCE STATUS (TCS)

- 1 Explain that the State / Province may not award a contract resulting from the invitation of quotations to a Bidder who is not properly registered and up to date with tax payments or, has not made satisfactory arrangements with SA Revenue Services concerning due tax payments.
- 2 The South African Revenue Services (SARS) has phased out the issuing of paper Tax Clearance Certificates. From 18 April 2016 SARS introduced an enhanced Tax Compliance system. - 3 Bidders are required to apply via e-filing at any SARS branch office nationally. The Tax Compliance Status (TCS) requirements are also available to foreign bidders / individuals who wish to submit bids.
- 4 SARS will then furnish the bidder with a Tax Compliance Status (TCS) PIN that will be valid for a period of 1 (one) year from the date of approval.
- 5 In bids where Consortia / Joint Venture / Sub-contractors are involved, each party must submit a separate Tax Compliance Status (TCS) PIN.
- 6 Application for Tax Compliance Status (TCS) PIN can be done via e-filing at any SARS branch office nationally or on the website www.sars.gov.za.
- 7 Tax Clearance Certificates may be printed via e-filing. In order to use this provision, taxpayers will need to register with SARS as eFilers through the website www.sars.gov.za.

CERTIFICATE OF INDEPENDENT QUOTATION DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
- a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
