It should, however, be noted that this score will not be carried forward to form part of the final scoring process when preference points and price is calculated.

13.1 Evaluating using the Point System

- 13.1.1 The evaluation for the functionality, as the first stage of evaluation, will be evaluated individually by members of the Bid Evaluation Committee in accordance with the above mentioned functionality criteria.

- 13.1.2 Preference points shall be calculated after prices have been brought to a comparative basis taking into account all factors of non-firm prices & all unconditional discounts;
- 13.1.3 Points scored must be rounded off to the nearest 2 decimal places.
- 13.1.4 The bidder obtaining the highest number of total points for price and preference will be awarded the contract.
- 13.1.5 In the event that two or more bids have scored equal total points, the successful bid must be the one scoring the highest number of preference points for B-BBEE.
- 13.1.6 However, when functionality is part of the evaluation process & two or more bids have scored equal points including equal preference points for B-BBEE, the successful bid must be the one scoring the highest score for functionality.
- 13.1.7 Should two or more bids be equal in all respects, the award shall be decided by the drawing of lots.

13.2 Points Awarded for Price

13.2.1 THE 80/20 PREFERENCE POINT SYSTEMS

A maximum of 80 points is allocated for price on the following basis:

80/20

$$P_s = 80 \left(1 - \frac{P_t - P_{\min}}{P_{\min}} \right)$$

Where

P_s = Points scored for comparative price of bid under consideration

P_t = Comparative price of bid under consideration

P_{\min} = Comparative price of lowest acceptable bid

13.3 Points awarded for B-BBEE Status Level of Contribution

- 13.3.1 In terms of Regulation 5 (2) & 6 (2) of the Preferential Procurement Regulations, preference points must be awarded to a bidder for attaining the B-BBEE status level of contribution in accordance with the table below:

B-BBEE Status Level of Contributor	Number of points (80/20 system)
1	20
2	18
3	16
4	12
5	8
6	6
7	4
8	2
Non-compliant contributor	0

- 13.3.2 Bidders who qualify as EMEs in terms of the B-BBEE Act must submit a certificate issued by an Accounting Officer as contemplated in the CCA or a Verification Agency accredited by SANAS or a Registered Auditor. Registered auditors do not need to meet the prerequisite for IRBA's approval for the purpose of conducting verification & issuing EMEs with B-BBEE Status Level Certificates.

- 13.3.3 Bidders other than EMEs must submit their original & valid B-BBEE status level verification certificate or a certified copy thereof, substantiating their B-BBEE rating issued by a Registered Auditor approved by IRBA or a Verification Agency accredited by SANAS.
- 13.3.4 A trust, consortium or joint venture, will qualify for points for their B-BBEE status level as a legal entity, provided that the entity submits their B-BBEE status level certificate.
- 13.3.5 A trust, consortium or joint venture will qualify for points for their B-BBEE status level as an unincorporated entity, provided that the entity submits their consolidated B-BBEE scorecard as if they were a group structure & that such a consolidated B-BBEE scorecard is prepared for every separate bid.
- 13.3.6 Tertiary institutions & public entities will be required to submit their B-BBEE status level certificates in terms of the specialized scorecard contained in the B-BBEE Codes of Good Practice.
- 13.3.7 A person will not be awarded points for B-BBEE status level if it is indicated in the bid documents that such a bidder intends sub-contracting more than 25% of the value of the contract to any other enterprise that does not qualify for at least the points that such a bidder qualifies for, unless the intended sub-contractor is an EME that has the capability & ability to execute the sub-contract.
- 13.3.8 A person awarded a contract may not sub-contract more than 25% of the value of the contract to any other enterprise that does not have an equal or higher B-BBEE status level than the person concerned, unless the contract is sub-contracted to an EME that has the capability & ability to execute the sub-contract.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship & if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers & accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system & authorizes accounting officers & accounting authorities to:
- a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system & or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods & services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed & submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids & proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods & / or services for purchasers who wish to acquire goods & / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
