	INQUIRY	RESPONSE BY THE DEPARTMENT
1	With reference to the above-mentioned tender, kindly clarify whether previously issued and signed client reference letters, on the same prescribed template used for prior Department of Public Works tenders, will be accepted.	Bidders are welcome to use Appendix E from the previously cancelled bid as the reference form is still the same as in the previous document.
2	<p>Could you kindly assist with the following queries on the list of returnable documents:</p> <p>2.1 Number 9 calls for "Professional Status Declaration" which does not seem to be in the tender document.</p> <p>2.2 Number 5 calls for "Proof of Specific Goals" & numbers 6 & 11 call for proof of address, since in this tender Specific goals is only on locality, the document wants us to provide the proof of address three times, so under 6 & 11, may we just note that it is provided under number 5?</p> <p>2.3 Number 10 calls for "Ownership by People who are Women" which is not listed under the "Specific Goals" in this tender, was this in error or do we need to provide this?</p> <p>2.4 The professional cv's are not asked for in this tender, can we include them under the Team organograms?</p>	<p>2.1 Proof of registration is required as per Section O of the document.</p> <p>2.2 Items 6 and 11 are not related, the proof required under item 6 seeks to address the issue of payment of rates and under item 11 it is required for claiming of preference point (specific goals). The same proof can be used for both and attached only once.</p> <p>2.3 Yes this is an error, entities should only be "located in KZN" – no other goal applicable.</p> <p>2.4 Yes, please include detailed CVs.</p>
3	I would like to enquire for ZNTL04666W if I can Professional Engineers Technologist instead of Professional Engineer. In the document I can see it only states Professional Engineer I need clarity on that.	Only a Professional Engineer will be accepted.
