QUESTIONS AND ANSWERS

Question 1

Page1 States:
"Professional multi-disciplinary consulting team to include Mechanical Engineer as Mechanical Engineer Fire and as Principal Agent to be registered as a Professional Engineer. Mechanical Engineer / Principal Agent to appoint the following team: Architect (Pr Arch), Quantity Surveyor (Pr. QS), Civil Engineer (Pr Eng) Structural Engineer (Pr.Eng.), and Electrical Engineer (Pr.Eng.)"

Page 86 States:

11.	Appendix G – Schedule of previous work (Architect / Principal Agent)
12.	Appendix H – Template for traceable references (Architect / PA).

Kindly confirm if Mech Eng or Architect must be the PA.

Response
The Mechanical Engineer is the PA.

Question 2
Would we be able to submit Pr.Tech Eng for the engineering component?

Response:
No, you wont be able to submit for a PR Tech, the Department is looking for a registered Professional Engineer.

Question 3
Furthermore, may we use previous client references that already has all the necessary information, or must we submit and use the reference templates in the document?

Response:
Yes, you can provided that it has all the information as contained in the Proforma template.

Question 4
Kindly conform if it will be acceptable to utilise other letters for Appendix H – Format for Traceable Reference Letters?

Response:
Yes, you can provided that it has all the information as contained in the Proforma template.

Question 5
We kindly request clarification regarding the Professional Indemnity (PI) insurance requirements outlined in the tender documents.

The tender specifies that PI insurance is required for each discipline. However, Appendix D, Clause 5.4.1 of the contract states that a Letter of Intent/Undertaking from an insurance company will suffice at the tender submission stage.

Could you please confirm whether, at the tendering stage, bidders must submit a valid Professional Indemnity insurance certificate for each discipline, or if a Letter of Intent/Undertaking from the insurer will be acceptable?

Response:
The bidder must submit PI Insurance for each discipline at tender submission stage.
