ERRATUM

There has been an erratum on the advert as well as the document for ZNTD: 01/07/2026:
Appointment of a service provider for the supply and delivery of thirty (30) standard computers, four (04) standard laptops and one (01) technical laptop for the Department of Public Works & Infrastructure.

The erratum is prompted by the fact that the service is scheduled to close on the 4th of November 2026, and this date coincides with the local government elections, which has been declared as a public holiday, hence an erratum is issued to close the service on the 5th of November 2026.
